You pastored one church for 50 years in Wales, what was the most difficult aspect of the ministry for you?

If you could do it all over again, what would be the things that you would change or do differently?

In your own personal walk with Christ, what can you look back on and say you wish you had done differently?

How can a pastor deal with discouragement when he has to keep preaching through times of difficulty?

If you go back in time to the first day of your ministry, and speak to a young Geoff Thomas, what would you tell him and most stress to him?

At the prayer meeting on Wednesday night, you mentioned that there were some areas in your life that you felt like were really critical to not let slip. What areas were you referring too and what are you doing to not slip in those areas?

What are the dangers confronting the church today, especially the reformed church?

What book or person has made a great impact on your life and why?

How did you remain a baptist while in Westminster Seminary?

All Right You Need some Special Person a Psychotherapist Who's Trained How To Get to an Area of Your Life That Drives You because of His Whole Theory of How Man Was Built with His Idi Ego Super-Ego Is You Need a Specialist Well-Trained To Get In There because You Could Never Do It on Your Own these Are Things Motivating You that a Specialist from the Outside Needs To To Get In There and the Bible Doesn't Teach that that There's some Unconscious Driving You or Now Called Subconscious Driving You the Bible Talks about the Heart at the Very Core Being Motives and Thoughts and that You Know Where

You Can Say Lord Search My Heart with Your Word and Thoughts and Motives Can Be Exposed and God in His Word Several Times as You'Re Ministering People You Can Glean What Is Motivating Them When Someone Says You Know I Have To Have Respect I'M Telling You I Have To Have It We'll Look at How to by Asking Questions How To Probe More at What Do They Want and What Are They Thinking and Only God Knows the Heart a Hundred Percent but He's Using Us as Instruments to Disciple One another so He's Given Us Principles and Scripture on How To Help People by Finding Out What Is It They Want and What Is It They'Re Thinking and Believing and the More They Talk They Can See It You Know You Don't Have To Have Special Training It's Just Knowing His Principles the Word of God and Loving People and Ministering to Them Yes Psychiatrists or Psychologists Are another One of Scientists What Is Really Happening with the Body Not Theorizing but It Is There some Disease Is There some Known Disease Taking Place When You Get into Psychology the Study of the Soul That Is What the Bible Claims To Be Sufficient for the Bible Doesn't Claim To Be Sufficient for Rocket Science It Doesn't Claim To Be but Whatever It Speaks about Science It's Accurate but It Does Claim To Be the Textbook for Matters of Eternal Life and Sanctification It Is the Textbook on Matters of Life and Godliness and So Anyone Who Comes In and Interferes into those Fields Is Treading on God's Territory

Pray that We Might Receive It with Humility and Our Hearts and Minds Would Be Renewed with Your Word that We Might Gain a Greater Appreciation and Love for You a Greater Confidence that Your Spirit and Your Word Are Sufficient and Lord Help Us To Develop More of a Love for People a Love like You Have Patient and Long-Suffering and Compassionate Wanting To Come alongside of Our Brothers and Sisters Who Are Struggling with Sin in Their Life or Trials To Encourage Them and Help Them To Become More Useful and Fruitful All by Your Grace and for Your Glory We Pray in Jesus Name
