Mens Ministry Manual Introduction

Advanced Men's Ministry Training

Contemporary male culture is broken. Every pastor and church leader knows it. They deal with the fallout every single day, but few know what to do about it. Although ministry and discipleship resources abound, few offer a comprehensive strategy for addressing the problem that works in all ministry environments. The Advanced Men's Ministry Training (AMMT) was developed to supply what's been lacking to this point, a practical, one-size-fits-all guide for building an effective men's ministry from the ground up. Pastors and men's ministry leaders will find this resource useful both in the building and the maintenance of your men's ministry as your church strives to reach lost men with the Gospel, disciple them, train them up, and send them out to advance the Kingdom of God. This book will serve as an invaluable roadmap as you navigate the ministry road ahead.

You will not be sorry you invested in this training for you and your ministry team. Rev. Lloyd Tremain, Paradise Community Church of the Nazarene A thorough, practical and much needed Biblically sound treatment. Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman, Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today. John Steffensen, Radio Host, Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry. I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore, or church maintenance, or the myriad other duties needed to keep a church going. The result was that the church stayed the same size. Some leave; others enter. But no growth was apparent despite the considerable preaching talents of the pastor. God is apparently making sure he has only the amount of people that he can handle. We learn that the ancient church had some of the same challenges we face today. Acts 6:14 says, Now in those days, when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists, because their widows were neglected in the daily distribution. Then the twelve summoned the multitude of the disciples and said, It is not desirable that we should leave the word of God and serve tables. (Read this as doing manual labor.) Therefore, brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; (the manual labor) but we will give ourselves continually to prayer and to the ministry of the word. It was even bringing strife to the local body. What did they do? And what was the result? The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties (the manual labor). This freed up the apostles so they could minister the Word of God. Wow, God's way is so simple, and our grandiose plans just waste time and get nothing done. Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes God's church. This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them.

The book of Proverbs teaches practical wisdom to everyone who desires to gain a greater understanding of everyday life situations through observation and practical application. The goal of this book is to write a training manual from the book of Proverbs geared towards African American men between the ages of 20-40 years old. The purpose of the book is to design a Christian discipleship curriculum which contains thirty-one chapters. Each chapter will include a least one lesson, but it could be more. It all depends on how many different topics discussed in each section. I chose the book of Proverbs because the writer deals with so many issues that are relevant to young African-American (Hebrew) Christian men. This training manual will be consistent with the core values of my ministry Every Man Pastors His Own House. I believe that every Hebrew Christian man is responsible for pastoring his wife and his children. The pastor's job is to properly disciple each man (with the help of other Godly men) enabling them to gain the tools needed to pastor their families. This training manual will give them practical ways of being able to accomplish this enormous task of pastoring their families in the United States of America where men are sexually perverted, feminized (skinny jeans), women are taught to be masculine, and children are brainwashed to believe that homosexuality is right for American values. This training manual can be used by any pastor or layperson

who desires to disciple African-American men enabling them to be re-established as head of their homes and leaders in the Christian Church strengthening the African-American family in Christ Jesus.

Christian Minister's Manual—Updated and Expanded Deluxe Edition

In the closing verses of I Corinthians Paul literally commands his readers "be men," or "act like men" (16:13). Modern translators are uncomfortable with that, but more than ever there is a desperate need for real men of God. If you are like most men, you're tired of playing church. You want a faith to walk with Jesus as Peter did. You need hope to face daily challenges at home, at work, and in your community. And you long for real, lasting, love. Paul wrote an amazing letter that addresses many of the issues we wrestle with today. Love, marriage, and sex. Temptation. Authentic and satisfying church experience. Help in daily decision making. This intensely practical book with challenge and instruct you. If you're in leadership or ministry you'll find it especially helpful. Not just one more men's book with nice stories, it's based completely on God's powerful Word. Let the Holy Spirit transform your life, your family, and your church.

No Man Left Behind

Rise up, O man of God. It is no mistake that you were born into the times you are living in. The Lord has a purpose and plan to use you to further His kingdom and glorify His name. This study of the book of James will serve as your Mission Manual to become the godly man you were created to be.

Minister Training Manual

A Man's Journey with God is Bishop Wellington Boone's 30-Day Consecration Challenge for men to grow in spiritual strength and maturity. This ManHunt edition can be used for a self-help spiritual study guide or discipleship by a pastor or men's ministry leader in the local church. This 464-page wealth of spiritual training is based on Bishop Boone's more than four decades of training men, many of whom have grown to become national leaders respected for their character. His biblical principles give men spiritual authority to stand for truth and yet the humility to make exemplary husbands and fathers. It includes a Special Ops challenge to Christian Men to complete a spiritual journal for 30 straight days of private consecration, spending time with God in prayer, meditation on His Word, and writing a journal like great Christian men of the past. To learn steadfastness as a Christian man, if you miss a day, you start over again until you can complete 30 straight days. No man starts out knowing all about God, even if he is born again and baptized in the Holy Spirit. He needs a disciplined learning process designed for men and he needs a pastor whom he respects. A Man's Journey with God provides the vehicle for consistent, effective, church-based discipleship and leadership training for the men of God that this generation desperately needs. It is a powerful package of biblical truth, Christian history, and application to all areas of a man's life. Its successful training system teaches men how to develop life-long habits of consecration and Christ-likeness. The historical biographies are a consciousness-raising call to action. The exercises are a tested vehicle for becoming a game-changer. Written by a pastor who has successfully built men into godly leaders in all spheres of life, it is perfectly suited for leadership development within the local church. For pastors and men's ministry leaders, it is just what they have been looking for to motivate and build real men. It is organized like a training manual with spiritual and practical strategies for teaching men how to be leaders in the local church. A Man's Journey with God includes a multitude of carefully crafted exercises that can be done privately and sometimes shared in small groups to build strength and character in men. It provides men with liberal opportunities for personal notes and reflections. It is filled with inspiring examples from heroic Christian men of the past. It is built on steadfast, compelling principles from the Bible and the historical Christian creeds. It imparts a vivid awareness of God's judgment and a man's future in eternity. A Man's Journey with God is a breakthrough for men everywhere! Each section is framed by a timeline of the Church since the birth of Christ. Reliable and credible for preaching and teaching, each biblical and historical example is verified by hundreds of footnotes, biblical cross-references, and an annotated Index that includes online links. Knowing what you believe and living it out daily have never been more vital! Will you respond to God's call? <http://WellingtonBoone.com>

Book of Proverbs

Manual for Men is for men who are in the arena, warriors for Christ and His Church. It is for those men who

battle daily for their souls and for their family. It is often a struggle to shed the sins and vices the world offers men, but it's a battle we must fight and win. In Part I, Bishop Thomas Olmsted calls for Catholic men to step up and "into the breach" in service to God, their families, parishes, and wider communities. In the course of his exhortation, Olmsted unveils: * How being a Christian man is far more than physical prowess or worldly power * Why the world and the Church desperately need men--real men--to fight for them in spiritual combat * The vital importance of prayer and the sacraments in the life of every man * Why fatherhood, fully understood, is so crucial for every man * The value of devotion to a patron saint (complete with 10 manly suggestions) * Most importantly, how men have the perfect model of man in Jesus Christ, and how we can follow his example. In Part II, Cook presents a treasure trove of prayers, church teachings, and writings from the saints that serve as a tremendous source of inspiration for men seeking to become better men of God. It is at once an essential guide and a profound book of prayers designed specifically for men. Now, perhaps more than ever, men need to be men. But what it means to be a man has been twisted into a pale and mangled image of true manhood. Manual for Men serves as a field guide and instruction manual for those husbands, fathers, sons and brothers who would become real men of God-- men who protect, physically and spiritually, those entrusted to them; men who sacrifice, pray, fight, love, and live by the example of Christ. There is a battle for our souls, our families, our world, and Our Lord calls us men to fight. Are you ready to answer the call? Will you accept Bishop Olmsted's plea to "engage in the battle that is raging around you"?

With this workbook, you will be able to concentrate on your men's growth, not in having to spend hours on content development.
