Slug Introduction

1999

Doug Lugg, Boy Slug

Norman, a slug who wants to be a snail, is determined to find something that will work as a shell.

Norman the Slug with the Silly Shell

Slinky is a loveable slug who has many friends. He lives on his own at the bottom of a beautiful garden and gets up to all sorts of things. Slinky will take you on a wonderful journey and tell you all about his exciting adventures, and mishaps, along the way. The first story is \"Introducing Slinky\". A short look at Slinky to show you what he is all about and the type of things he can get up to. The second story, \"Slinky`s Garden Adventure\"

Slinky the Slug

This is a tale of a poorly thought of, not too attractive species of slug known as a shell-less terrestrial gastropodic mollusc.

Slug the Homeless Snail

When a snail convinces Sam Slug that he is a snail without a house, they begin a futile search for Sam's lost shell. Includes facts about slugs.

The Slug who Thought He was a Snail

\"A perfect stocking filler for any gardener . . . funny and entertaining as well as very useful.\"—Garden News The Little Book of Slugs arose out of the Centre for Alternative Technology's Bug-the-Slug campaign. It collects over seventy different organic solutions to the slug problem, distilled from over three hundred professional and leisure gardeners. As well as organic methods to combat the slug, it includes details of slug lifestyles, habits and eating preferences, and information on reported problems associated with chemical controls. Allan Shepherd works at the Centre for Alternative Technology in Wales, is the author of The Sustainable Careers Handbook and a contributor to the Garden, the Express and Geographical and Country Smallholding magazines. Suzanne Gallant is a freelance editor and researcher.

The Little Book of Slugs

Did you know that the bottom part of a slug is called a foot? Using its foot, a slug can slowly slide along the ground. Learn more fascinating facts in Slugs, a Fascinating Insects book. This AV2 media enhanced book is a unique combination of a printed book and exciting online content that brings the book to life. Readers can access embedded weblinks, audio and video clips, activities, and other features, such as a slideshow, matching word activity, and quiz.

Slugs

Are you being bullied by a mollusc that slimes all over your garden and munches through your favourite delphinium? Are you worried about using slug pellets for fear of endangering local wildlife? Take a stand against slugs with 50 alternative, organic, natural, chemical and humane solutions to slug problems. Trick, flick and frighten slugs out of your garden, leaving you with pest-free plants. Stop slugs in their tracks and make slimy trails a thing of the past.

50 Ways to Kill a Slug

THE SUNDAY TIMES BESTSELLER 'An intoxicating mixture of poetry and prose, Slug is a taboo-busting delight' SCOTSMAN 'One of the best poets we have' MATT HAIG 'She writes with honesty, conviction, humour and love' KAE TEMPEST The new collection of poetry and prose from the Ted Hughes Award-winning author of Nobody Told Me From Finnish saunas and sippy otters to grief, grandparents and Kellogg's anti-masturbation pants, Slug is a book which holds a mirror lovingly up to the world, past and present, through Hollie's driving, funny, hopeful poetry and prose. Slug is about the human condition: of birth and death and how we manage the possibilities in between. 'The inimitable words of poet/goddess Hollie McNish once again hold up honest, damn funny and refreshing takes on the everydayness of our lives . . . Never have we needed her more' STYLIST 'Hollie always articulates exactly how I feel' CHARLY COX 'A tribute to life itself' RED

Slug

Doug the slug is looking for a hug and soon finds there is a friend for everyone.

Slug in Love

They slime, they ooze, they kill One female slug can lay 1.5 million eggs a year--a fact which holds terrifying consequences for the people of Merton. As the town basks in the summer heat, a new breed of slug is growing and multiplying. In the waist-high grass, in the dank, dark cellars they are acquiring new tastes, new cravings. For blood. For flesh. Human flesh.

Slugs

In recent years slugs have become increasingly important, partly because several species are agricultural and horticultural pests and partly because theyhave proved to be useful experimental animals, particularly in the field of neurophysiology. Most of the early works which included slugs were essentially taxonomic but the book byTaylor (1902-1907) contained a great deal of biological information about slugs, some of which is still relevant today. The publication of the book by Runham and Hunter (1970) represented a milestone in slug research, providing a comprehensive survey of current knowledge about slugs. The book by Godan (1983) on snailsand slugswas mainly concerned with theeconomic importanceof theseanimals. The purpose of the present book is to present a review of current knowledgeofthebiologyandecologyofslugs, togetherwith theirstatusand control as pests. Although relatively little is known about the biology and ecology of tropical slugs and most information is taken from work on European slugs, the European pest species have become widely distributed throughout temperate regions and this book should be of interest world wide. It is written as a source of information for people seeking to control slug pests and, also, for those wishing to use slugs for research or teaching purposes. The book is intended particularly to provide a starting point for those beginning research on slugs and an extensive bibliography has been provided.

Terrestrial Slugs

A smug slug that will not listen to the animals around it comes to an unexpected end.

Some Smug Slug

Norman the Slug with the Silly Shell is back and he's on fabulous, festive form. A Christmas treat for Sue Hendra fans everywhere. When a sack of presents lands - THWACK - right by Norman's stocking he is overcome with excitement. He really must have been a very good slug this year. But after a frenzy of unwrapping he spots a label - and realises that none of the presents were meant for him, but had in fact fallen off Father Christmas's sleigh. Norman knows he has to get the presents to the family they're meant for - but how can he manage it on time? Can one little slug save Christmas? Sue Hendra graduated from the University of Brighton in 1994 and has been working as an illustrator of children's books since then. With Paul Linnet, she is the author/illustrator of the hugely successful Barry the Fish with Fingers. Sue lives in Brighton. Praise for Supertato: 'Hendra introduces another very silly but irresistible creation in the grand tradition of Barry, Norman, Keith et al.' The Bookseller Praise for Norman the Slug with the Silly Shell: 'Lovely glittery illustrations and simple text make this a must for pre-schoolers.' The Daily Mail Praise for No-Bot the Robot with No Bottom: 'Fabulously funny and wonderfully warm.' Liverpool Echo 'Fans of Barry, Norman and Keith will absolutely adore this new wonderfully eccentric new character.' Mumsnet

Norman the Slug Who Saved Christmas

Welcome back to the Super Happy Magic Forest, a super happy, super magical place filled with picnics, dancing, and fun. That is until the super slimy SLUG OF DOOM threatens to drink a magical potion that will give him the size and strength to eat the entire forest. Five heroes — a fairy, a unicorn, a faun, a gnome, and a talking mushroom — must go on an epic quest to find the potion before the SLUG OF DOOM can drink it, but their quest won't be easy. They must first navigate past dragon lairs, outwit cunning ogres, swim across deep rivers and work as a team if they are to succeed. With so much to laugh at and explore on every single page, lovers of silliness, adventure, and all things magical won't be able to get enough of SUPER HAPPY MAGIC FOREST: SLUG OF DOOM. SLUG OF DOOM is a standalone adventure that can be enjoyed even if you haven't read a previous SUPER HAPPY MAGIC FOREST book!

Super Happy Magic Forest: Slug of Doom

Thanks to an unfortunately tasty-looking radioactive garden slug, eleven-year-old Murdo McLeod is now the world's worst superhero. His two powers are pretty unique: the first is sliding up walls. Quite slowly. The second is secreting slippery slime from his skin. (Yes, just as disgusting as it sounds.) In a world where superhero competition is fierce, Slugboy doesn't make the grade. No one wants help fighting bad guys from someone with a horrible habit of (quite literally) messing things up. He's so underrated, in fact, that when an evil mastermind devises a plan to capture all the other superheroes, Slugboy isn't even on his list. Now, Slug Boy has to use his not-so-super and oh-so-gross abilities to free the other superheroes and save the world. Let's hope he doesn't slip up.

Slugboy Saves the World

When it begins to bug slug that his mummy doesn't hug him, he leaves home to find out why. Kitten suggests he should be furrier, so he puts on a woolly hat, while Bird suggests he needs a beak. Soon, Slug has a new look, will his mummy hug him now?

Slug Needs a Hug

For use in schools and libraries only. Twenty-eight humorous verses, all aptly illustrated, present everything anyone ever wanted to know about slugs and poetry.

Slugs

Help! I'm Being Chased by a Giant Slug is a collection of nine disgusting stories from Andy Griffiths and illustrated by Terry Denton - the creators of the smash hit The 13-Storey Treehouse. Is this the right book for you? Take this test to find out! Do you ever pretend that you are dead to get out of going to school? Do you leave banana skins in the middle of busy footpaths? Do you like to ring up people you know and pretend to be someone else? Do you like stories about dead flies, giant slugs and mysterious brown blobs? Score one point for each 'yes' answer. 3-5 You are obviously a very disgusting person. You will love this book 1-2 You are a fairly disgusting person. You will love this book. 0 You don't realize how much fun being disgusting can be. You will love this book.

Slug

Don't panic, but you're in danger. At least, you would be, if Jack Beechwhistle wasn't around to protect the world from alien attacks, zombie sweet-shop owners, and exploding conkers - with a bit of help from his trusty sidekicks, Colin and Harry (as long as it's not past Colin and Harry's bedtime). Their missions are daring, dangerous, and deadly. They even have top-secret headquarters (the shed by the rhubarb patch). But now Jack's about to face his most challenging challenge yet. The Attack of the Giant Slugs. And they're on their way to Jack's school - right in the middle of maths!

Help! I'm Being Chased by a Giant Slug

RHS Can Anything Stop Slugs assists with all of the most common problems encountered in a garden - as well as some slightly more unusual ones. The RHS's Chief Horticulturist, Guy Barter, provides expert advice, responding to the questions posed by thousands of gardeners every year. This entertaining and informative guide provides a wealth of information. Feature boxes of interesting facts enable you to really get to grips with the issue at hand. As the cause of a problem is not always apparent, the main symptom is used as the starting point in each section, enabling you to troubleshoot all your garden problems. This is not a dull reference book full of lists - it is an easy-to-read and amusing look at how we battle with nature in our gardens, showing you how to either come out top or to surrender with dignity.

Slug Makes a House

From the authors of Cake and Norman the Slug comes another wacky, laugh-out-loud picture book about a very special dance we have all had to do at some point in our lives! Alan the Bear has a problem. A big one. He really, really needs to wee. But things keep on getting in his way. With the help of his friends and a special dance, will Alan make it to the toilet in time?

Jack Beechwhistle: Attack of the Giant Slugs

Snail lives in a garden and one day they meet a new friend. Snail gets to know Slug and learns to appreciate their differences.

Metal Slug: The Ultimate History

Slug overeats and then spends too much time in the sun.

Slugs and Snails in World Agriculture

What if some tiny slugs fell into a pool of toxic goo and became Giant Slugs? Would they take over the world? Or would the Spies vanquish them with their secret weapon?

RHS Can Anything Stop Slugs?

Seefus discovers the \"Golden Rule.\" Good friends know not to be thoughtless or cruel, it's not always easy to find a good friend, Seefus makes a mistake before this journey's end. However...good friends find ways to work troubles out. You'll learn lots from Seefus about freindship, no doubt! Join him and his pal as he makes amends, you will learn just what it means to be a good friend.

Doug Lugg, Boy Slug

Shortlisted for the Waterstones Children's Book Prize 2016. There's so much to see and talk about on every page of this hilarious story about five unlikely heroes (a unicorn, a gnome, a fairy, a faun, and a mushroom) who go on an epic quest to save their home, the amazing Super Happy Magic Forest! Bursting with jokes and details to pore over, Super Happy Magic Forest is sure to be a hit with children and grown-ups alike!

I Need to Wee!

Henry, seventeen, good looking, athletic but vulnerable arrives at half term in a rural state boarding school. His parents have gone abroad for some months. Will he survive the predators: nympho under-matron Virginia, eighteen, the radon treated monster slugs and the over friendly housemaster, Mr Jones? The ruthless Ward, seventeen, and his two cronies, Winnaway and Griffiths provide another threat as Henry explores the wooded park-land. Headmaster Mr Trotman creams off school profits and keeps his staff silent and in their jobs through blackmail. His secret in the cellar should make him very rich, especially with Henry on board. Henry toughens up and enjoys Virginia in the company of his one friend, Martin, a weak member of Wards entourage, whilst trapped by slugs in an old barn. The sub plot of Richard, thirteen, son of craft master Matthew, being surrounded by slugs in the woods and then scared into obedience by Ward and Co in their cave hide-out, adds an additional flavour.

Sammy the Slug

Slugs and snails are part of the great Phylum Mollusca, a group that contains creatures as varied as the fast-moving squid or the sedentary clams, cockles and mussels. The largest group, however, are the gastropods, animals originally with a single foot and a single coiled shell.

A Slug Is Born

\"Originally published in the United Kingdom as Super Happy Magic Forest: slug of doom by Oxford University Press Children's Books in 2016\"--Colophon.

Snail and Slug

Dr Dolittle meets Kid Normal in a hilarious middle grade superhero series that tells you what your pets are really thinking, from Bafta-nominated comedian Nat Luurtsema

Slug and Snail Pests in Agriculture

A smug slug that will not listen to the animals around it comes to an unexpected end.
